NOTE the following:

1. "Rule of Thumb": When a Team is dispatched, the team that becomes the "Up Team" will be the team scheduled to be the "Up Team" the next team up finishes that week & their week i.e., Team 2 is dispatched on June 8, Team 4 (scheduled to begin duty June 20) becomes the "Up Team" for remainder of the week.
2. In the event a decision is made to place two teams in "Up Team" status, the second team will be the team scheduled to become the "Up Team" two Tuesdays ahead. Example: On August 22, Team 4 is "Up Team", it is decided to put a second team up". Team 6
3. Refer to NWC 22.9.B for general operating procedures.
